2018 STALL RESERVATION POLICY

First refusal will be given to exhibitors who wish to reserve all the same stalls (with no additions or subtractions), under the same name as in the previous year, provided the reservation and payment are received by the June 29, 2018, Priority Deadline. If you request additional stalls, please indicate the requested number on the reservation form. If additional stalls are not available in your original location, indicate whether you prefer the additional stalls in another location, or whether you would like to move to a location that can accommodate your entire stall request.

Second priority for stall requests will be determined by the postmarked date of requests received with full payment.

Verbal stall reservations will not be accepted.

No gifting of stalls. Stalls are the property of The Pyramid Society. Stalls can be held and loaned to others, as long as the farm holding the stalls is still exhibiting horse(s) in the Event, and decorating all of the stalls. The year after a farm has not exhibited horses, they must relinquish those stalls and they revert back to The Pyramid Society.

Large blocks of stalls may become available from time to time and The Pyramid Society will try to keep these blocks intact. The stalls will be assigned by request and their assignment is the sole discretion of Show Management. Past participation at the Egyptian Event as well as previous stabling location will be factors in determining the new occupants.

If you wish to be stalled with or near a specific group, stall reservations must be sent together.

In an effort to meet all exhibitors’ stabling needs, and to maintain flexibility to accommodate changes in stall requests, stabling assignments will not be given until arrival at the Egyptian Event.

Note: For those maintaining stabling assignments from 2017 and who have completed and returned the stall reservation form and payment by the June 29th deadline, the stall location will be the same as in 2017.

NO LATE DEPARTURES – no exceptions, per The Kentucky Horse Park.
All stalls must be vacated by 8:00 a.m. on Sunday, September 2nd. The Pyramid Society sincerely apologizes for any inconveniences this may cause.

We encourage ALL exhibitors to decorate their stalls. As in the past, premium stalls are required to be appropriately decorated. Stall doors and fronts may be decorated, but should be done in such a manner that each horse stabled within can be seen by anyone, at all times. Electrical extension cords may only be used in accordance with Kentucky Horse Park regulations.

The Pyramid Society reminds exhibitors that all barn aisles are “common ground” and should be treated as such, giving due regard to fellow exhibitors. Fire regulations require that all barn aisles remain open and accessible by emergency vehicles AT ALL TIMES.

Every horse entered in this show must be stalled and shown from stalls provided by the Kentucky Horse Park. Horses will not be permitted to show if they are stabled off show grounds for any reason, except with written permission of the Show Manager.
