

2020 EGYPTIAN BREEDERS' CHALLENGE (EBC) FOAL NOMINATIONS

POLICIES, RULES, & FORMS

EBC FOAL NOMINATION FEE: \$150.00

All Nomination fees are due by: JANUARY 31, 2020

Owners of EBC foals born prior to the deadline, please contact The Pyramid Society office.

NOMINATION:

All EBC foals must be nominated *in-utero* by January 31, 2020 for eligibility to show in the EBC classes as yearlings. Nomination fees are non-refundable.

MEMBERSHIP: Owners of EBC foals are required to carry current 2020 Premium or Life Membership at the time of nomination and throughout all the years the foals are active in the EBC program. Nominations submitted by owners without current required membership will not be processed.

MARE OWNERS: It is the *responsibility of the mare owner* to satisfy all foal nomination requirements.

ELIGIBILITY: 2020 EBC foals must be Straight Egyptian or Egyptian Sired, and must result from breedings sold or purchased through the 2018 (or transferred from the 2017) EBC Auction. Pedigree eligibility rests with the member submitting the nomination. Disqualification based upon an invalid pedigree will not result in a refund of paid nomination fees. *All decisions regarding eligibility shall be made by The Pyramid Society, whose decision shall be final.*

PEDIGREES: A four generation pedigree of both the sire and the dam or a copy of their respective Pyramid Society Straight Egyptian certification must be included with the nomination application. A copy of the foal's registration should be forwarded when available.

MULTIPLE REGISTRATIONS: The Pyramid Society honors the AHA Registry's policy regarding multiple registrations resulting from embryo or oocyte transfer. (See AHA's Embryo/Oocyte Transfer Requirements)

CONFIRMATIONS: Nomination *Confirmations* will be provided to participating members when processing is complete.

EBC CLASSES: Nominated Straight Egyptian and Egyptian Sired fillies, colts and geldings may show in their respective Egyptian Event EBC classes as yearlings. All EBC classes are ATH, and no professional handlers will be eligible.

CLASS ENTRIES: Although payment of nomination fees provides *eligibility* for participation in the Egyptian Breeders' Challenge, it *does not* mean a foal is automatically entered into its respective class. There is a separate class entry form which must be submitted along with payment to enter the foal into the class(es) for that show year. Complete EBC class participation requirements and entry forms will be distributed prior to the Egyptian Event.

AWARDS: Prize money for the EBC classes will be comprised of the nomination fees plus the funds collected from the sale of breedings through the EBC auction (less a 50% administrative fee). Ribbons and prize money will be awarded to the Top Ten. Prize money will be distributed from the total respective purses as shown: 1st - 40%, 2nd - 22%, 3rd - 10%, 4th - 7%, 5th - 6%, 6th - 5%, 7th - 4%, 8th - 3%, 9th - 2%, 10th - 1%. The Pyramid Society reserves the right to adjust ribbons and payouts, based on the level of participation.

PYRAMID SOCIETY DEFINITIONS:

Only horses of certifiable ancestry Straight Egyptian or Egyptian Sired, as defined by The Pyramid Society, are eligible for Society managed and promoted programs. The Pyramid Society staff always stands ready to assist anyone in need of pedigree verification or official certification for their horses. See The Pyramid Society's website for complete definitions.

EBC NOMINATION TRANSFER POLICY

CHANGE OF OWNERSHIP

EBC breedings and/or resulting foals may be transferred to new owners upon written request with a dually endorsed EBC **transfer form** submitted to The Pyramid Society for approval. The new owner is required to hold current Premium or Life Membership in The Pyramid Society to retain EBC breeding/foal eligibility. If the breeding is not paid in full, the balance due must be remitted with the Transfer Form.

TRANSFER OF EBC NOMINATIONS

EBC Nomination Fees are Non-Refundable. The following situations would permit the transfer of an EBC nomination:

- A. The mare absorbs, aborts, or dies before foaling
- B. The foal dies at birth
- C. The foal lives less than one week

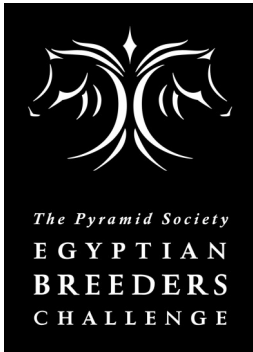

Nominations meeting the requirements above may be transferred as follows:

- The breeding must be to the original EBC stallion.
- The EBC Stallion's Breeding Contract must allow for a rebreeding.
- To a new mare for that same breeding season (provided the new mare's foal is not yet born).
- To the same or a new mare for the next breeding season. (EBC breeding rights are valid for two years following the auction.)
- Under no circumstances may a live foal be nominated to the EBC.

To request an EBC nomination transfer, the following items must be submitted no later than December 31st of the original foaling year:

- 1) A written transfer request
- 2) A veterinarian's statement
- 3) A copy of the original nomination (i.e., computer print-out from our office).
- 4) Any new pedigrees or Pyramid Society Straight Egyptian certification necessary to complete our documentation.

Disclaimer: The Pyramid Society is not liable for cancellation of classes or programs, dates changes or updates to policies that may effect eligibility or participation.
